Passionate and dedicated Flutter Developer with hands-on experience in building responsive and user-friendly cross-platform mobile applications. Skilled in Dart, Flutter, Firebase, UI/UX design, and clean code architecture. Currently pursuing BSc.CSIT (6th Semester) with strong involvement in tech communities and continuous self-learning. I enjoy turning ideas into real, functional, and aesthetic digital products.

PROFESSIONAL EXPERIENCE

Flutter Developer Intern

Jan 2026 – Apr 2026

Xavirgin (OPC) Private Limited [Link](#)

- Assisted in developing cross-platform mobile applications using Flutter.
- Built responsive and user-friendly mobile interfaces.
- Collaborated with the development team on assigned tasks.
- Participated in bug fixing, testing, and performance optimization.
- Used Git & GitHub for version control and project collaboration.

INDEPENDENT PROJECTS

Flutter Developer

Aug 2025 - Present

Luvlines – Flirt Messages (Mobile App) [Link](#)

- Built a fully functional flirt-message application with 1000+ flirt messages.
- Implemented Line of the Day feature to show a unique daily flirt message.
- Added Favourite, Copy, Save, and Share functionality for smooth user experience.
- Developed a Random Flirt Message Generator for fun and instant inspiration.
- Added dual-language support (English & Nepali) for wider audiences.
- Integrated dynamic Light/Dark Mode for better accessibility and user comfort.
- Designed clean UI, optimized navigation, and delivered an engaging user-friendly experience and published on Google Play Store.
- Built using Flutter, Provider and SharedPreferences for scalable and better performance.

Quiz App

Dart, Flutter [Link](#)

- Developed a fully functional quiz application with question navigation, scoring, and results.
- Strengthened understanding of UI design and state management.

ToDo App

Dart, Flutter [Link](#)

- Created a task management app with add, update, and delete functionality.
- Implemented simple yet effective UI for productivity.

EDUCATION

TRIBHUVAN UNIVERSITY

Bachelor of Science in Computer Science and Information Technology (BSc.CSIT),
Mahendra Multiple Campus, Dang, Nepal

2023 - Present

6th Semester

CERTIFICATIONS

Flutter Training & Mobile App Development (Workshop) – [Link](#)

Jul 2026

JagaByte Technologies

- Successfully participated in a **3-day Flutter Training and Mobile App Development Workshop**.
- Strengthened practical knowledge of Flutter fundamentals, mobile app development, and UI implementation.

Jul 2024 – Aug 2024

Flutter Mobile App Development (Workshop) – [Link](#)

Computer Science Association, MMC Dang

- Completed an intensive 7-day Flutter Development Workshop.
- Gained hands-on experience in Dart fundamentals, UI building, layouts, and creating functional mobile apps.

ACHIEVEMENTS AND ACTIVITIES

Flutter UI Designer & Developer (Self-Learning Challenge) – [Link](#)

Computer Science Association, MMC Dang

Jun 2025 – Jul 2025

- Completed a 30 Days Flutter UI Challenge, designing and developing 30 unique modern UI Screens.
- Posted everyday video on social media (TikTok, Youtube).
- Improved layout structing, statemanagement, animations, and reusable widget design.
- Built a complete mobile app “Luvlines – Flirt Messages” and published on Google Play Store at the end of the challenge.
